

# Conservation LEARNING CENTRE

## Field Day!

Thursday, July 28, 2022

18 km south of Prince Albert on Highway #2

Join us for a full day of events: a morning research tour, a free BBQ lunch, and an afternoon show-and-tell of small plot research equipment and other interesting agricultural equipment.

### Topics for the research tour include:

- Novel pulse crops (fenugreek, mung bean, lupins, cowpea and more!)
- Various oat, barley and wheat agronomy trials
- Tile drainage
- Blackleg and clubroot testing

**Free admission! Door prizes! Free BBQ lunch!**

**Registration and coffee at 9:00 am**

**Attendees must pre-register by calling 306-960-1834 or by email at [info@conservationlearningcentre.com](mailto:info@conservationlearningcentre.com)**
