

CROP TALK 2024

WEDNESDAY, MARCH 13, 2024

10 A.M. TO 2:30 P.M.

DESCRIPTION:

Join us to learn more about local research at the Conservation Learning Centre, programs available to producers, cover cropping, and a newly installed tile drainage project. Hear from ministry specialists and industry experts including Tom Wolf, Agrimetrix Research & Training, to discuss dealing with difficult spraying conditions.

Location: Prince Albert Wildlife Federation
Central Ave. North – RM of Buckland 491

Contact: To register, please contact the Prince Albert Regional Office at 306-953-2363. Lunch and coffee provided.

Registration deadline is Monday, March 11, 2024.
